

**INTERACT: Intercultural Active Citizenship Education
EC Framework VI January 2004 – August 2007**

The Danish and UK teams are currently working on an article which compares policies on education for citizenship, democracy and multiculturalism in Denmark, Greece and England.

The following books and articles, although they do not come directly from INTERACT are based on related research by team members. They include comparative research addressing a number of contexts including France, Italy, Sweden and England.
