13TH RESEARCH STUDENTS' EDUCATION CONFERENCE

CALL FOR PAPERS: CHALLENGES IN RESEARCH METHODOLOGY

Go the extra mile this new year by participating in the RSEC 2019!

The one-day conference offers postgraduate students an excellent opportunity to hone their presentation skills and receive feedback from a supportive audience of their peers and academic staff.

This year our theme deals with challenges in research methodology. We invite 250-word abstracts for 15-minute presentations and/or poster proposals accompanied by a brief biographical note. Work-in-progress ideas are absolutely welcome from both PGRs and Master's students.
