

14th Research Students' Education Conference

CALL FOR PAPERS ETHICS AND EDUCATIONAL RESEARCH: CHALLENGES AND SOLUTIONS

Every researcher has a unique relationship with ethical questions. What's yours like? Take part in RSEC 2020 and describe how you've negotiated with research ethics in your own project.

The one-day conference offers postgraduate students an excellent opportunity to hone your presentation skills and receive feedback from a supportive audience of your peers and academic staff.

This year our theme deals with research ethics. We invite 250-word abstracts for 15-minute presentations and/or poster proposals accompanied by a brief biographical note. Work-in-progress ideas are absolutely welcome from PGRs, Master's students, and research staff in the School of Education.
